The KLCC sponsorship program for the FY year 2022-2023 started on 23<sup>rd</sup> August, 2022. In this sponsorship program we help the children who have passed class X in Beatrix High School, Puri, to pursue their educational dreams. This help is up to the completion of class XII. Those who fare well in their XII board examination and secure above 60 % of marks and wish to continue to benefit from the sponsorship program and also eligible for the sponsorship. There are about 160 children covered under this program.

Our aim is to help children to study well and achieve greater dreams in their lives. We wish all the children a bright future and pray that they prosper in their life and contribute to the nation building.
